Thank you for your interest in the Stewardship Work Experience Trip for Teens. To help Ascend assess whether this experience is a good fit for you, please provide your thorough and honest responses to the following questions.

1. Participation in the Ascend Stewardship Work Experience Trip is physically demanding. In addition to backpacking and backcountry living, activities will include shovelin [g, raking, digging, pruning, and other projects using hand tools. Participants are expected to put forth a solid effort with a positive attitude each day. Give some examples of physically demanding activities you regularly participate in. Do you have any concerns about your ability to perform the necessary tasks? Are there some outdoor activities you really love?

2. Describe the role(s) that you have taken in situations where you were part of a team. How do you feel about working in teams in general?

3. Describe an experience you have had involving conflict and resolution and what you learned from that experience.
